Engine Room

**AEGEAN EXPLORER M26**  
built by Aegean Yacht

A photograph of the crew quarters on a yacht. The room features light-colored wood paneling on the walls and ceiling. A single bed with a white mattress and a white pillow is positioned against the left wall. Above the bed is a long, narrow window with a white frame. To the right of the bed is a wooden wardrobe with a silver handle and a small lock. A small, rectangular vent is visible on the wall above the bed. The overall atmosphere is clean and functional.
